

Part A Output Screenshot

5554:Nexus\_5\_API\_23

The screenshot shows a Nexus 5 smartphone with a blue status bar at the top displaying a 3G signal icon and the time 11:14. The screen displays a table with student scores. The table has a header row with a grey background and six columns: Stud, Q1, Q2, Q3, Q4, and Q5. There are 15 data rows, each representing a student's scores across five quarters. At the bottom of the table, there are three summary rows: 'High Score', 'Low Score', and 'Average', each showing the maximum, minimum, and mean values for each quarter respectively. The phone's navigation bar at the bottom shows the standard Android icons: back, home, and recent apps.
